

Cabin charm

Skiing and pit stops are inseparable!

The “Radstadt-Altmarkt” ski-resort’s ski huts and mountain restaurants with their wide range of culinary offerings leave nothing to be desired. Whether in a lounge on the sun deck, in the comfortable wood-paneled “Stube” with a “Jaga-Tee” or at the valley station apres ski bar, there is certainly no time for boredom!

Sportalm

Sportalm Habersatter invites you for winterly sunbathing at the Kemahdhöhe mountain station (1,557 m). The Sportalm offers a large variety of Austrian cuisine. You can also enjoy a drink on the sundeck with its unique panoramic view of Salzburger Sportwelt mountains.

Sonnalm Reiter

Located at the middle station on the Radstadt side of the mountain, the Sonnalm offers special regional treats that make it a popular stop for both locals and guests. You can watch the hustle and bustle of the slopes from the sundeck. And while you bask in the sun you’ll never lose sight of the children riding the nearby platter lift.
