

# STAR-SHAPED HIKING RADSTADT

**A new destination every day, around 1,000 metres of elevation per tour – and to your starting point. Experience variety without moving on.**

**Star-shaped hiking in Radstadt – Summit experiences from a central base**

Starting from Radstadt, a hiking holiday unfolds that follows a simple principle:

**A different trail every day – always from the same starting point.**

👉 No changing locations, no packing – but a new “chapter” every day.

What connects the selected hikes  **A consistent challenge – around 1,000 metres of elevation gain per day**

All tours are within the same performance range. 👉 Guests know: every day is rewarding – but never overwhelming.

 **Maximum variety at the same level –**

**Same elevation gain – completely different experiences**

Around Radstadt, a wide variety of landscapes come together:

- Alpine meadows & pasturelands
- Striking peaks
- Panoramic mountains such as the Rossbrand
- Quiet forest and high-altitude trails

The region is known for its diverse mountain scenery between the Dachstein and the Radstädter Tauern.

## **Star-shaped hiking Radstadt**

Around Radstadt, a unique form of hiking holiday unfolds: star-shaped hiking.

Starting from a fixed base, you discover new facets of the Salzburg mountain world day by day – on varied routes that radiate outwards like spokes from the town.

All hikes follow a clear concept:

With around 1,000 metres of elevation gain per tour, they offer a sporty yet achievable challenge for ambitious hikers.

Between scenic summits, gentle alpine pastures and breathtaking panoramic views, you experience the full diversity of the region – while returning to the same place every day.
